Introduction

I am Shubham Ghosh, a dedicated Computer Science Engineer, proudly attaining graduation in 2023, from GKCEM College. My academic journey also includes a Diploma in Computer Science and Technology, from BBIT College. Beyond my prowess in Web Development and Graphic Design, my insatiable thirst for learning fuels my unceasing pursuit of fresh skills and knowledge.

Skill

Front End : This is the part where i shine most. Experienced in - HTML, CSS, JavaScript, SCSS, Bootstrap, React, Flutter.

Back End : I am not 100% knowledgeable in this part, but I have quite a bit of experience in working with these below technologies - Node.js, express, MySQL, mongoDB, Flask.

Graphic Design : I have done many real freelance projects including poster, banner, welcome gates, logo and business card design And the tools that I use - Photoshop, illustrator, Xd, Figma, Premier Pro, AfterEffect, Blender etc.
