Introduction

I am a 4th-year student at GKCEM College, pursuing B.tech in Computer Science and Engineering. I have also completed a Diploma in Computer Science and Technology course from BBIT College. Apart from my Web Development and Graphic design skills, I think I have a great learning attitude, which helps me to continuously learn new things.

Skill

Front End : This is the part where i shine most. Experienced in - HTML, CSS, JavaScript, SCSS, Bootstrap, React etc.

Back End : I am not 100% knowledgeable in this part, but I have quite a bit of experience in working with these below technologies - Node.js, express, mongoDB, Flask.

Graphic Design : I have done many real freelance projects including poster, banner, welcome gates, logo and business card design And the tools that I use - Photoshop, illustrator, Xd, Figma, Premier Pro, AfterEffect, Blender etc.
