

SHUBHAM GHOSH

WEB DEVELOPER
GRAPHIC DESIGNER

Introduction

I am a Web Developer and also a Graphic Designer. I recently passed my Diploma in Computer Science and Technology course from BBIT college. Apart from my web development and graphic design skills, I think I have a great learning attitude which helps me to continuously learning new things.

Skill

Front End : This is the part where i shine most. Experienced in - HTML, CSS, JavaScript, SCSS, Bootstrap, React, Material-UI

Back End : I am not 100% knowledgeable in this part, but I have quite a bit of experience in working with these below technologies - Node.js, express, mongoDB

Graphic Design : I have done many real freelance projects including poster, banner, welcome gates, logo and business card design And the tools that I use - Photoshop, illustrator, Xd, Figma, Premier Pro, AfterEffect, Blender
